"Avenge Conscience" Coming to the Oregon

Much interest is being manifested here over the coming to the Oregon theatre of D. W. Griffith's supreme achievement (and so styled by the producer of "The Birth of a Nation") "Avenge Conscience."

It is Mr. Griffith's second wonder picture and has the same cast as that other marvelous Griffith production, "The Birth of a Nation."

Orton E. Goodwin and Sol Baum leased the Helling theatre in Portland to show the picture for one week. Capacity audiences were the rule, while on the last two days of the engagement hundreds were turned away. As a result of their success, Mr. Goodwin and Mr. Baum purchased the Oregon rights for "Avenge Conscience" at a price said to be higher than paid in many years for any other photo-play.

The cast includes: Blanche Sweet, Henry B. Walthall, Mae Maga, Spotiawood Aiken, Robert Harran, Ralph Lewis, George Siegmann, Josephine Crowell and many others of note.

"Avenge Conscience" is a picture-ization of Edgar Allan Poe's "Annabel Lee" and "The Telltale Heart."

For many weeks "Avenge Conscience" occupied the screen at the Strand theatre, New York. In Seattle, at the Melbourne, it is asserted it was accorded larger patronage than was accorded the other Griffith masterpiece, "The Birth of a Nation," both running at the same time.

Griffith himself says: "Avenge Conscience" is my supreme achievement. It is a greater picture than "The Birth of a Nation."

Mr. Griffith is the first man to attempt to make a motion picture production of Poe's works. The weird genius of the author has been exemplified by a picture fully as weird.

The story is a terrible picture-ization of the powers of conscience. It illustrates the working of a diseased mind. It shows that mind flitting from sanity to hell. The clash between intellectuality and natural emotions results in a hypothetical series of dramatic incidents. The cast speaks for the acting.

ROAD TO HEALTH IS THROUGH THE KIDNEYS

No person alive is stronger than his kidneys. The minute the kidneys become disarranged or clogged with waste the warning is flashed throughout the entire system. The greater part of all sickness today can be avoided by keeping the kidneys working properly.

Most any reliable druggist in this vicinity can probably sell you of many well-known people who, by the standard kidney remedy, have restored to health, often after they have tried many other methods of treatment with little or no benefit.

There are hundreds of people who were not the least bit surprised when they read awhile ago that Daniel J. Fry is selling Solvax on a guarantee to refund the money in case it did not relieve. This remarkable kidney remedy is guaranteed to help the worst case of lazy, sluggish, or clogged-up kidneys, or the general headachy, kinked-backed, played-out condition that afflicts people suffering with kidney trouble. Solvax does not simply relieve. It aims to cure.

The best kind of advertising is the praise of a pleased customer, and there are hundreds today praising Solvax because it has done for them what they advertised to do. Not very long ago they were afflicted with all manner of sickness, uncomfortable pains and each day seemed to bring with it a new ache in some other part of their body. Since using Solvax they are once more bright and chipper and able to enjoy life at its fullest with no more fear of suffering.

We doubt if any other kidney remedy has made such a large percentage of cures as Solvax. It is so large that its owners are perfectly safe in standing ready to refund the price to any customer whom it does not help. This is a good time to get well and you ought to take advantage of this offer. Get it from Daniel J. Fry or any well stocked drug store.

FORMER POLK COUNTY EDITOR CALLED BEYOND

Dallas, Or., Dec. 15.—Word has been received here of the death at Estacada, of W. A. Walsh, former editor and publisher of the Polk county Itemizer of this city. Mr. Walsh came here in 1887 and purchased the Itemizer from Glass & Prudhomme, now engaged in the printing business in Portland. Later he sold it to V. P. Fiske, now postmaster of this city. Mr. Walsh was a native of Kentucky and served in the Civil War in a Confederate Missouri regiment, rising to the rank of captain. In one of the earlier battles of the war he was captured and spent the balance of his days until the war closed in the federal military prison on Kelly's Island, Lake Erie. Since leaving Dallas he has been residing on a small farm near Estacada.

RUSH WORK ON PORTS

San Pedro, Cal., Dec. 15.—Work on the McArthur fortifications protecting Los Angeles harbor was rushed today. One of the mounting of guns, and ground has been broken for another. Work on two additional batteries, is scheduled to start soon. Many more men will be employed, under the direction of Captain William Gage, who is coming here from Manila to take charge.

WOMEN SUBJECT TO KIDNEY TROUBLES

I beg to say that I have been a constant sufferer with severe pains in my back and was on the verge of nervous prostration resulting from kidney trouble and other complications. A friend of mine recommended Dr. Kilmer's Swamp-Root as a sure cure for these troubles. Acting upon her advice I began taking Swamp-Root and began to improve before I had finished the first bottle. I continued its use until I had taken several bottles and continued to improve until completely cured. I am happy to say that I am as well as any woman on earth and have been so for the past nine years, thanks to Dr. Kilmer's Swamp-Root, and I cheerfully recommend it to all who suffer from kidney troubles.

Very truly yours,

Mrs. Alva Baxter,

1106 Main St., Orange, Texas.

Subscribed and sworn to before me this 21st day of March, 1912.
